

## **Feedback from past participants of Perioperative Management**

“Great course, Great facilities, AMAZING Speakers”

“Outstanding group of lectures”

“Great course...best available!!!”

“Loved it! I’ll be back”

“The best conference I have attended in many years”

“Well worth the trip from Canada!”

“It was really a wonderful meeting! It was well structured, well organized, the speakers were effective communicators. I learned so very much and the presentations and information will help me to take better care of my patients. Thank you!”

“Great conference. Hope to come back next year!”

“Thank you for a great conference”

“Thank you! Always appreciate this conference”

“Really enjoyed the conference!!!-think I would come back next year if able.”

“Just a great conference in a beautiful setting”

“Excellent conference; my first time attending and I very much enjoyed it”

“Awesome conference covering so many pertinent areas”

“EXCELLENT PROGRAM”

“Great conference with relevant evidence based practice information!”

“Another great year of topics and organization of conference”

“The facility was great and the staff were wonderful! Weather was a plus!”

“Excellent meeting. I plan to attend again in the future.”

“Thank you so much! My husband and I have learned so much and have recommended your course to many of our colleagues”

“Excellent location and facility”

“Fantastic. Hope to be there next year!”

“Excellent experience”

“Excellent conference!”

“Great conference. My first visit, but won't be my last.”

“Great Conference and Environment!!”

“I have attended this conference on 3 occasions and have not been disappointed yet. Thanks for all your hard work - it shows!”

“Excellent program, excellent location. I would attend again next year.”

“Great learning experience from an Internist, will be back. Thank you”

“Excellent conference which I have recommended to associates”

“Thanks again. This is a very educational and enjoyable conference.”

“Excellent course I highly recommend it to any practitioner involved in peri-op patient care”

“My gratitude to all the effort and hours reviewing research from all over the world to deliver the well thought summaries, in a concise, easy to understand format, by these outstanding lecturers.”

“Everyone was outstanding. Excellent talks represent faculty hard work!”

“Great conference. This is my second time attending and I plan to return in the future.”

“The time schedule was perfect. I appreciate the early morning start and early afternoon finish to allow for family time and some time to enjoy vacation. This prevents skipping courses. THANK YOU!”

“Excellent conference, well done”
