

To obtain a CME Certificate, you must be a registered user on hopkinscme.edu **and** registered for the Advances in Hematology course on this site.

After registering on this site, go to

http://www.hopkinscme.edu/CompletePostTest.aspx?course_code=80022118

Log In - If you have ever participated in a Johns Hopkins CME course, please attempt to log in as an Existing User with your Email Address and last name as your Password.

- If your email address is registered on our site but your password does not work, use the link provided to retrieve your password.
- If your email address is **not** registered on our site, please complete Create New Account.

Once you have logged in, you must complete the post test, evaluation and attestation to receive your CME certificate.

If you have any problems, please email cmetechnsupport@jhmi.edu, making sure to include your name, email address and the program for which you are trying to register.
