Disclosure Basics

• Disclosure must **always** be done in all CME accredited activities (lectures, workshops, etc). One must disclose even if they have nothing to disclose (see last bullet)
• The ideal time is at the start of each presentation or presentation session
• Must include three components
  – Name of individual with conflict
  – Name of commercial interest
  – Nature of that relationship
• Disclosure can **never** include trade names or product messages
• If no relevant commercial interest is identified, this **must** also be disclosed
Samples
Disclosures

• Relevant Financial Disclosures
  – Examples (commercial interest AND nature are required)

• Non-FDA Approved uses
